2<sup>nd</sup> April 2020

Dear Parents / Carers

I hope that you and your children and wider families are all keeping safe and well.

Thank you for working with us all so closely and positively through this difficult and unusual time.

Pastoral teams and other key staff should have been in regular contact with your child with additional work, video calling and support. As a staff team we feel this contact is really important. By now the team should have worked out with you the best way to reach and interact with your child. Please let me know if you need any further support with this. I will be in school all day tomorrow - Friday - on the school number 01332 571151. If you have any concerns or would like to talk with me about anything at all - please give me a call.

The school will be closed over the 2 week Easter break. The Safeguarding Team will remain on call over the holidays. Details can be found on the website if you need to contact us with concerns or issues related to the safety of a child over this period.

It is a difficult time for everyone and we continue to be here to support you in any way we can.

Please take good care and stay safe. I will be in touch again after the holiday.

Best wishes,

**Debbie Gerring**  
Headteacher
