

14th May 2020

Dear Parents / Carers,

I hope you and your family are well.

Year 11 students will not be returning to St Martins school to say farewell in the usual way. Social distancing means we will not be able to accommodate this. I know this is sad for all students and their families, as well as our staff team here. It is not at all what any of us would have wished for.

We will be holding a 'virtual' event through TEAMS so that we can say our good byes in a memorable way - details will follow.

TRANSITION TO THE NEXT PHASE -

Students returning to our school 6th form will be part of our return to school arrangements. These parents/carers will have already received a letter about this. Students who are going on to other destinations such as Derby College, Skill Build, YMCA - will be contacted by Ryan Gascoine, our Transition Learning Mentor, who will support arrangements.

It has been an absolute privilege and pleasure having your child at St Martins. We will miss every single one of them and wish all of them every success for the future.

I want to thank all of you, for the tremendous support and partnership you have given St Martins whilst your child has been with us.

I really hope we will see all of you together again at our Record of Achievement evening later this year.

Keep safe and stay well.

Kind regards,

Debbie Gerring
Headteacher
