

18th May 2020

Dear Parents and Carers,

I hope you and your family are well.

Year 13 students will not be returning to Horizons at St Martins to say farewell in the usual way. Social distancing means we will not be able to accommodate this. I know this is sad for all students and their families, as well as our staff team here. It is not at all what any of us would have wished for.

We will look to hold a 'virtual' event through TEAMS so that we can say our good byes in a memorable way - details will follow.

Once this situation has settled down and schools are fully re-opened we will hold a 'Record of Achievement' evening for your child. This is when we will present them with their accreditation certificates and celebrate their achievements. This usually takes place at the start of November.

Transition to the next phase -

Students moving on to their next destinations will be contacted by Ryan Gascoine, our transition learning mentor, who will support arrangements alongside tutors.

We will miss every single one of them and wish all of them every success for the future. I want to thank all of you, for the tremendous support and partnership you have given Horizons whilst your child has been with us. I really hope we will see all of you together again at our Record of Achievement evening later this year.

Keep safe and stay well.

Kind regards,

Rachel Cooper
Assistant Headteacher and Key Stage 5 Lead
