Dear Parents / Carers

### Parent Governor Vacancy

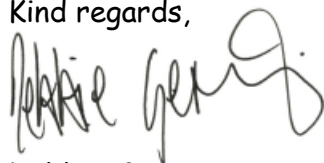

We would like to invite you to consider becoming a Parent Governor at St Martins School.

Governors are an integral part of the school, shaping the school's vision, ethos and direction. You will learn what makes St Martins tick and be a core decision maker. As a governor, we will welcome your input and contributions. You will have the opportunity to potentially gain new skills strategically inputting to budgeting, recruitment as well as confidently contributing to and eventually chairing key committees. A full training programme will support you in the role.

Please register your interest with my PA, Victoria, by calling the School Office. In the first instance, you will be invited into school to meet with myself and the Chair of Governors, Jeff Howe. We will take you on a tour of the school, keeping our COVID safety rules, and discuss what being a Parent Governor entails, as well as sharing the eligibility criteria with you.

If you are interested in joining our Governing Body at St Martins, we would be thrilled to meet with you and have you with us on the next steps of our journey.

Kind regards,

**Debbie Gerring**  
Headteacher

**Jeff Howe**  
Chair of Governors
